

## How to Find and Complete a Blended Learning Course on TRAIN

A blended learning series (BLS) course combines 2 or more modules that should be completed together. Here's how to *search for and complete* the BLS in the new TRAIN platform.

1. Log in to CDC TRAIN.
2. Search for the course using the "Search TRAIN" function or use a link, if provided.

3. Locate the course in the results and click on the course name. Note that Blended Learning Series are marked.

Use this page to search for any course or document on the TRAIN Learning Network site. The results may be limited by any groups you have joined within TRAIN([see your profile for details](#)).

- Read the information for the course by selecting the **Show More** link and the tabs below the description area. All modules associated with the BLS will be listed in the **Content** tab once you register.

The screenshot shows the course page for 'Yellow Fever Vaccine (Rev 2019): Information for Health Care Professionals Advising Travelers'. The page includes a header with the TRAIN logo and navigation links (ADMIN, SEARCH, USER SITE, HELP). Below the title, there are buttons for 'Back', 'Edit', 'Register', and 'Save For Later'. A green arrow points from the 'Show More' link to the 'Register' button. The 'Show More' link is highlighted with a green box. Below the 'Show More' link, there is a tabbed interface with 'Content', 'About', 'Contacts', 'Reviews', 'Resources', and 'Discussion'. The 'Content' tab is selected. Below the tabs, there is a message: 'To access the course components, click Register above.'

- Select the green **Register** button to register for the course – if the course has CE options you will be asked to confirm your selection.
- Click on the first module title in the Content tab to view the module details page.
- Select the Green **Launch** button. The module will launch in a new window.

The screenshot shows the module page for 'Lesson 1: Yellow Fever: History, Epidemiology, and Vaccine Information'. The page includes a header with the TRAIN logo and navigation links (ADMIN, SEARCH, USER SITE, HELP). Below the title, there are buttons for 'Back', 'Edit', 'More Actions', and 'Launch'. A green arrow points from the 'Launch' button to the 'More Actions' button. The 'Launch' button is highlighted with a green box. Below the 'Launch' button, there is a tabbed interface with 'About', 'Contacts', 'Reviews', and 'Discussion'. The 'About' tab is selected. Below the tabs, there is a message: 'Lesson 1, Yellow Fever: History, Epidemiology, and Vaccine Information, explores the global history and epidemiology of yellow fever disease. Next, it describes safe and appropriate use of the vaccine, including a detailed discussion of the precautions and contraindications to yellow fever vaccination.'

8. Once you have completed viewing module 1, close the lesson window and return to CDC TRAIN. You might need to mark the module complete if it is still **In Progress**.
  - a. Select the blue **Mark Completed** button.

Lesson 1: Yellow Fever: History, Epidemiology, and Vaccine Information	Completed: Not Verified
Lesson 2: Yellow Fever: The Pretravel Consultation and Best Practices for Yellow Fever Vaccination Providers and Clinics	Completed: Not Verified

14. The BLS course status moves to Post-Assessment Pending and a green **Assessment** button becomes available. Select the Assessment button to take the Post Assessment.

15. Once you have completed the Assessment the course status might move to an Evaluation Pending status and a green **Take Evaluation** button will be available. Select the button to begin the evaluation.
16. Once the evaluation is complete the course status is moved to Completed or Completed: Not Verified. The course will move to **Your Transcript** and the certificate will be located in **Your Certificates**.

NOTE: if the course offers continuing education (CE), please look for the directions for obtaining the CE in the course details section. CE certificates are not awarded in CDC TRAIN.

\* Not verified means that verification of completion may be required by the TRAIN affiliate or the course provider. *Not all courses require a verification.*
