Division of Emergency Management & Homeland Security

## National Emergency Management Basic Academy

The goal of the Basic Academy is to support the early careers of emergency managers through a training experience combining knowledge of all fundamental systems, concepts, and practices of cutting-edge emergency management. The Academy provides shared classrooms of adult learners and skillful instructors resulting in a solid foundation upon which to build further studies and sound decisions. CT DEMHS will be offering each of the NEMBA programs this fall. To see details and registration requirements, as well the NEMBA courses, visit the NEMBA page on CT Train with course ID: [1120646](#). Admission priority will be given to those applying to complete all five classes.

### L0101 (40 Hours)

Foundations of Emergency Management

Covers a range of topics from the history of EM, legal issues, and collaboration to social vulnerability, managing stress and technology.

**Dates (40 hours)**

CT Train ID: [1120548](#)

### L0102 (24 Hours)

Science of Disaster

Provides participants with a broad overview of scientific principles and concepts including earth sciences, climatology, CBRNE, and more.

**Dates (24 hours)**
