## VHA TRAIN MISSION Act Course Catalog: Introduction

The Department of Veterans Affairs (VA) established the [VHA TRAIN MISSION Act curriculum training site \(VHA TRAIN MA\)](#). This site hosts mandatory MISSION Act training and accredited online courses for community providers who wish to partner with VA and provide health care for Veterans. Community providers are a vital part of VA's high-performing health care network, making sure Veterans who have served our country get the timely, high-quality health care they need.

You can learn more about the VA MISSION Act [here](#). For other assistance or help with VHA TRAIN MA curriculum account creation, please contact the MA help desk at [support@missionact.org](mailto:support@missionact.org). You can also find a list of frequently asked questions [here](#). Also, [subscribe to specific topics of interest](#) to receive periodic VHA TRAIN eblasts and other news tailored to your area of interest.

For questions about community provider education and training resources, please contact [ProviderComms@va.gov](mailto:ProviderComms@va.gov).

Below is a list of current courses available through VHA TRAIN MA, organized by topic and updated monthly:

### REQUIRED VETERAN COMMUNITY CARE PROVIDER

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Community Care Provider-A Perspective for Veteran Care</a>	An introduction for community providers about Veterans and items that are deemed more common in Veteran patients. Those include military culture, suicide awareness and prevention, military sexual trauma, post-traumatic stress disorder and traumatic brain injury.	1 hour	1085488	7/6/2022
<a href="#">Mandatory Internal Control Training</a>	This program provides mandatory training required by statute for all Chief Executive Officers and key personnel of Nonprofit research corporations (NPCs) that are partnered with Department of Veterans Affairs Medical Centers (VAMCs).	1 hour	1081139	3/31/2023

### VETERAN COMMUNITY CARE PROVIDER

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">An Overview of Community Care</a>	This training provides information on VA's policies, practices, standards and resources, specifically the history of VA community care.	0.5 hours	1087014	6/6/2022
<a href="#">Community Care Provider Opioid Safety Initiative</a>	The goal of this course is to build a collaborative effort between the VA and non-VA care providers promoting evidence-based management of Veterans with chronic pain, improve patient outcomes and decrease incidence of complications in regard to opioid prescribing.	1 hour	1086479	10/20/2022

<a href="#">What's New in Community Care</a>	This course will introduce the New Community Care Program. Learners will learn how the MISSION Act resulted in the creation of the new community care program and the consolidation of the seven different community care programs into one. The course will provide a an overview of the MISSION Act and its impact on the delivery of health care for Veterans and the overall impact on the VA.	30 minutes	1088390	6/6/2022
<a href="#">Introduction to Community Care Network</a>	This course will provide information on the new CCN contract and how it will impact the way VA administers its community care programs to provide healthcare to Veterans.	30 minutes	1087946	6/6/2022
<a href="#">Community Care Provider: A Perspective for Veteran Care (Section 133 training) – Test Out</a>	This is a “test-out” completion option for the Community Care Provider: A Perspective for Veteran Care (Section 133 training).	15 minutes	1085497	N/A
<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 1 Introduction</a>	In this course, step-by-step system demonstrations describe how HealthShare Referral Manager provides access to care coordination planning and bidirectional communication of records, which reduces turnaround time for processing referrals, providing care, submitting claims and receiving payment.	0.25 hours	1087042	N/A
<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 2 Referral Lifecycle</a>	In this lesson, the statuses for each step of the Referral Lifecycle and the responsibilities for a community provider will be discussed.	0.5 hours	1087033	N/A
<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 3 Getting Started with HealthShare Referral Manager</a>	In this lesson, participants will learn to navigate throughout the system using screen essentials, as well as the value and purpose of the Referral List	0.5 hours	1087034	N/A
<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 4 Locate the Referral</a>	This lesson will focus on locating the referral.	0.5 hours	1087038	N/A
<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager</a>	This lesson will discuss the acceptance or rejection of a referral.	0.25 hours	1087039	N/A

[Course - Lesson 5:  
Accepting or  
Rejecting a Referral](#)

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 6 Appointments</a>	In this lesson, participants will learn to record, review and cancel appointments. Documenting no-shows will also be discussed.	0.75 hours	1087035	N/A
--	---	------------	---------	-----

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 7 Documents</a>	In this lesson, participants will learn to upload and download key medical documents.	0.5 hours	1087036	N/A
---	---	-----------	---------	-----

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 8 Working with Tasks</a>	In this lesson participants will learn to create a task, navigate to the task list, use the task list and manage tasks on the task list.	0.5 hours	1087040	N/A
--	--	-----------	---------	-----

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 9 Initial Care Given</a>	In this lesson, participants will learn the value of providing follow up information to VA, as well as how to change the status of a referral to initial care given.	0.5 hours	1087041	N/A
--	--	-----------	---------	-----

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 10 Audit Trail and Reports</a>	In this lesson, participants will learn how to navigate to and access the audit trail; review the revision history of a referral; navigate to and access reports; and explain the purpose of each report.	0.25 hours	1087037	N/A
--	---	------------	---------	-----

<a href="#">The Community Provider Lifecycle for HealthShare Referral Manager Course - Lesson 11 HealthShare Referral Manager Wrap Up</a>	In this lesson, participants will learn the value of the course and how to access support resources, including the Enterprise Service Desk.	0.25 hours	1087032	N/A
---	---	------------	---------	-----

MISSION ACT

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">MISSION Act 133: A Core Training on Military Sexual Trauma for Community Medical Professional</a>	Section 133 of the VA MISSION Act of 2018 requires VA to establish competency standards for non-VA providers in treating Veterans for injuries and illnesses in which VA has a special expertise. This one-hour accredited course is designed to provide community providers with general training and resources in the areas of	30 minutes	1089409	12/18/2022

	military culture, suicide prevention and other topics unique to caring for Veterans.			
<a href="#">MISSION Act 133: Core Training for Military Sexual Trauma (MST) for Community Mental Health Providers</a>	This course is designed to provide community mental health providers with training on key information related to the care of Veterans who experienced military sexual trauma (MST), which is associated with both physical and mental health conditions.	1.5 hours	1087045	N/A
<a href="#">MISSION Act 101</a>	This presentation includes information on combining multiple community care programs into a unified integrated experience and expanding eligibility for caregiver services to all eras of Veterans. Additionally, the webinar will review how the MISSION Act authorizes Anywhere to Anywhere Telehealth provision across state lines and establishes a VA Center for Innovation for Care and Payment, ultimately strengthening VA's ability to recruit and retain clinicians.	30 minutes	1085056	5/1/2022

#### POST-TRAUMATIC STRESS DISORDER (PTSD)

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Veterans Integration to Academic Leadership: Understanding PTSD</a>	This course will provide college and university staff the knowledge and skills needed to assist Veterans with transitional issues and needs for mental health assistance through the Veterans Integration to Academic Leadership, or VITAL, initiative.	1 hour	1087066	5/18/2023
<a href="#">Subcourse 1: PTSD 202: Skills Training in Affective and Interpersonal Regulation</a>	This e-learning course is split into three sections about Skills Training in Affective and Interpersonal Regulation (STAIR), a trauma-informed, skills-focused treatment for PTSD and depression symptoms. Each session provides interactive, engaging and learner-centric training and resources for behavioral health clinicians learning to	3 hours	1065198	9/30/2021

	perform this therapy. The course relies heavily on a situational learning approach that involves scenarios, realistic examples, storytelling and characters.			
<a href="#">Subcourse 2: PTSD 202: Skills Training in Affective and Interpersonal Regulation</a>	This e-learning course is split into three sections about Skills Training in Affective and Interpersonal Regulation (STAIR), a trauma-informed, skills-focused treatment for PTSD and depression symptoms. Each session provides interactive, engaging and learner-centric training and resources for behavioral health clinicians learning to perform this therapy. The course relies heavily on a situational learning approach that involves scenarios, realistic examples, storytelling and characters.	3 hours	1084689	9/30/2021
<a href="#">Subcourse 3: PTSD 202: Skills Training in Affective and Interpersonal Regulation</a>	This e-learning course is split into three sections about Skills Training in Affective and Interpersonal Regulation (STAIR), a trauma-informed, skills-focused treatment for PTSD and depression symptoms. Each session provides interactive, engaging and learner-centric training and resources for behavioral health clinicians learning to perform this therapy. The course relies heavily on a situational learning approach that involves scenarios, realistic examples, storytelling and characters.	4 hours	1084690	9/30/2021

#### ETHICS IN HEALTH CARE/WHOLE HEALTH CARE/CULTURAL TRANSFORMATION

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Whole Health for Mental Health and Well-Being</a>	The purpose of this knowledge-based course is to explore how whole health can support mental health care in VA. This course provides an overview that shifts the perspective away from mind-body dualism and toward a system of care where mental health is seamlessly incorporated as a core aspect of whole-person care.	1 hour	1087070	7/15/2023

#### RESPIRATORY CARE

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
--------------	-------------	--------------	-----------	-----------------

#### DISABILITY

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
--------------	-------------	--------------	-----------	-----------------

<a href="#">Disability and Medical Assessment: Diabetes Mellitus Compensation and Pension Examination</a>	The purpose of this web-based training is to provide an overview of the C&P Diabetes Mellitus examination process.	1 hour	1064862	9/30/2022
<a href="#">Disability and Medical Assessment: General Medical Examination</a>	The purpose of this web-based training course is to provide an overview of the Gulf War disability examination.	1 hour	1064762	10/1/2022
<a href="#">Disability and Medical Assessment: Medical Opinions</a>	The purpose of this web-based training course is to provide an overview of the Compensation & Pension Foot examination process.	1 hour	1064529	N/A
<a href="#">Disability and Medical Assessment Cervical and Thoracolumbar Spine Examinations</a>	This course will address a knowledge gap by providing updated information, including procedures to prepare for, conduct, and properly document compensation and pension cervical or thoracolumbar spine examinations sufficient for adjudication purposes.	1 hour	1064993	12/31/2023
<a href="#">Disability and Medical Assessment Aggravation Opinions</a>	The purpose of this web-based training course is to provide participants with an overview of requirements for medical opinions that address aggravation for adjudication purposes	1 hour	1064262	N/A
<a href="#">Disability and Medical Assessment Skin and Scar Examinations</a>	The purpose of this web-based training course is to provide an overview of the skin and scar disability examination. It will address a knowledge gap by providing updated information including procedures and a demonstration regarding how to prepare for, conduct and properly document a thorough and legally defensible skin and scar disability examination.	1 hour	1064757	9/30/2022
<a href="#">Disability and Medical Assessment (DMA) Cold Injury Residuals Examination</a>	The compensation and pension cold injury protocol examination provides one model demonstration of an exemplary compensation and pension examination.	1 hour	1067762	8/30/2022
<a href="#">DEMO General Medical Examination</a>	The purpose of this web-based training course is to provide training on the recommended process required to perform C&P general medical examinations.	1 hour	1064863	10/1/2022
<a href="#">Disability and Medical Assessment Diabetes Mellitus (DM) Compensation &amp; Pension Examination</a>	The purpose of this web-based training is to provide an overview of the compensation & pension (C&P) diabetes mellitus (DM) examination process. It will address a knowledge gap by providing updated information, including procedures to prepare for, conduct and properly	1 hour	1064862	9/30/2021

document a legally defensible C&PDM examination.

#### DENTAL CARE

<a href="#">Managing Common Dental Tasks 1: Dental Dam, Retraction Cord and Provisional Fabrication</a>	The multi-segmented Mastering Common Dental Tasks educational program of best practices was developed in response to VHA's continued transformation efforts into patient-centered care. This session will discuss dental dams, retraction cords and provisional fabrication.	1.5 hours	1067060	3/31/2022
<a href="#">Managing Common Dental Tasks 3: Mouth Guards, Various Stent Fabrication and Denture Repairs</a>	The multi-segmented Mastering Common Dental Tasks educational program of best practices was developed in response to VHA's continued transformation efforts into patient-centered care. This session will discuss mouth guards, various stent fabrication and denture repairs.	1 hour	1067083	3/31/2022

#### OPIOIDS, ADDICTION AND PAIN MANAGEMENT

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Treatment of Substance Use Disorders Using Cognitive Behavioral Therapy</a>	The purpose of this recorded training is to increase community-based outpatient clinic clinicians' awareness and understanding of evidence-based psychotherapy for substance use disorders (SUDs). An overview of elements of cognitive behavior therapy for substance use will be provided, and resources for further training will be provided.	1 hour	1087075	8/14/2023
<a href="#">Community Care Provider Opioid Safety Initiative</a>	The goal of this course is to build a collaborative effort between the VA and non-VA purchased care providers promoting evidence-based management of Veterans with chronic pain, improve patient outcomes, and decrease incidence of complications in regard to opioid prescribing.	1 hour	1086479	10/20/2022

#### SUICIDE AND MENTAL HEALTH

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Suicide Prevention Partnerships: How Technology Can Help Veterans Stay Connected</a>	This VA Office of Mental Health and Suicide Prevention webinar will educate VA field employees on how to implement the components of the VA organization's public health approach to suicide prevention. <b>Expiring soon!</b>	1 hour	1087007	8/15/2021

<a href="#">Suicide Prevention Partnerships: Promoting Veteran Mental Health</a>	The VA Office of Mental Health and Suicide Prevention will host monthly training webinars to educate VA field employees on how to implement the components of the organization's public health approach to suicide prevention.	1 hour	1087071	7/24/2023
<a href="#">Suicide Prevention Partnerships: Caring for Those Who Care for Military Families and Veterans</a>	This recorded webinar will provide education to VA partners, VA employees and subject-matter experts, as well as anyone who supports VA's suicide prevention program and partnerships.	1 hour	1087024	1/2/2022
<a href="#">Suicide Prevention Partnerships: September Is Suicide Prevention Month; Let's Prepare!</a>	This webinar provides education to non-VA mental health providers participating in the Suicide Prevention Month program. Information includes available resources, military/Veteran culture, and clinical resources.	1 hour	1086962	9/30/2021
<a href="#">Veteran Affairs' Suicide Prevention Strategy</a>	The purpose of this series is to further educate non-VA providers and health care teams about VA policies, practices, expertise, standards and resources for treating Veterans. This recorded session will discuss VA's suicide prevention strategy.	2 hours	1086999	9/5/2022
<a href="#">Introduction to Self-Directed Violence Classification System</a>	In less than six minutes, the presenter of this training explains clearly why the adoption of the Self-Directed Violence Classification System is important for clinical practice and research related to suicide prevention. Learners may be surprised that exercise plays a part.	1 hour	1086995	9/2/2022
<a href="#">Self-Directed Violence Classification System – I'm Done</a>	In this eight-minute video, the clinician meets with a young Veteran who has had a recent suicide attempt. The consultant explores the issues of determining suicidal intent, bodily injury and what is meant by "interrupted by self or other."	1 hour	1086979	9/2/2022
<a href="#">Self-Directed Violence Classification System – Going to Bed and Not Waking Up</a>	In this five-minute video, the clinician meets with a Veteran who says she is down and not getting out. The clinician asks directly, "Have you been having any thoughts of suicide or killing yourself?" The Veteran gives an ambiguous answer, and a consultant helps tease out the Self-Directed Violence Classification System.	1 hour	1086980	9/2/2022
<a href="#">Self-Directed Violence Classification System – What Is Self-Cutting</a>	In this scenario, the clinician interviews a Veteran who describes getting mad at his roommate and has thoughts of cutting himself or drinking bleach. The clinician explores how this relates to the Self-Directed Violence Classification System.	1 hour	1086982	9/2/2022

<a href="#">Self-Directed Violence Classification System – Interrupted by Self or Other</a>	In this video, an older Veteran feeling overwhelmed by health issues and a pending divorce decides to drive his car into a ditch as a way to end his life. Before he can act, he is stopped for careless driving. The clinician and consultant unpack all that happens in this session before deciding on the Self-Directed Violence Classification System.	1 hour	1086983	9/2/2022
<a href="#">Self-Directed Violence Classification System – Can We Determine Intent</a>	In this video, a suicide prevention coordinator (SPC) reaches out to a Veteran who has missed an appointment. As the SPC checks in with her, the Veteran brings up burning her arm with a cigarette. In the following supervision session, the clinician is faced with determining intent and what a specific behavior means.	1 hour	1086985	9/2/2022
<a href="#">Self-Directed Violence Classification System – Asking Three Questions to Determine Intent</a>	The Veteran in this vignette is dealing with chronic pain from a back injury. One night, he searches for information on how to overdose on pain medication. With her supervisor, the clinician explores what makes a behavior preparatory and what is intent when it comes to preparatory behavior.	1 hour	1086986	9/2/2022
<a href="#">Self-Directed Violence Classification System – An Accident or Intentional</a>	In this scenario, the clinician interviews a Veteran who witnesses the death of his friend, a fellow Veteran.	1 hour	1086965	9/2/2022
<a href="#">Self-Directed Violence Classification System – After an Inpatient Stay</a>	In this scenario, the clinician interviews a Veteran who has come home from an inpatient hospital stay. The interview highlights the difficulty of transitions and the role of thoughts and behaviors in the Self-Directed Violence Classification System. The Veteran also discusses how he called the Veterans Crisis Line to seek help as part of his safety plan.	1 hour	1086975	9/2/2022
<a href="#">Self-Directed Violence Classification System – Six-Month Follow-Up</a>	In this scenario, the clinician interviews a Veteran who had a serious suicide attempt. The clinician discusses the attempt with the Veteran and tries to place it on the Self-Directed Violence Classification System.	1 hour	1086977	9/2/2022
<a href="#">Self-Directed Violence Classification System – Postvention After a Suicide Death</a>	In this scenario, the clinician interviews a Veteran's daughter about the suicide death of her mother. The clinician discusses how this could fit on the Self-Directed Violence Classification System. Importantly, the video also touches on the need for postvention after a clinician loses a client to suicide.	1 hour	1086988	9/2/2022

<a href="#">Self-Directed Violence Classification System – Does a Gun Always Make It Serious?</a>	In this scenario, the clinician interviews a Veteran about his plans for a long weekend. The clinician checks in about his plans to go to a firing range and asks about thoughts related to self-directed violence.	1 hour	1086984	9/2/2022
<a href="#">Assessment and Management of Patients at Risk for Suicide</a>	This video will assist health care teams better understand how the guideline was developed, how to use it, and how to effectively assess and manage patients who are at risk for suicide.	1 hour	1086991	N/A

## WOMEN'S HEALTH

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">Diagnosing and Treating Insomnia in Women Veterans</a>	This recorded, knowledge-based training will discuss general principles and application of cognitive behavioral therapy for insomnia, with a focus on conceptualizing and adapting treatment recommendations for women.	1 hour	1087101	12/4/2023
<a href="#">Culturally Sensitive Care for Female Service Members and Veterans: The Role of Intersectionality</a>	This is a recording of live, knowledge-based virtual training that will provide an overview of cross-cultural clinical work with Female Service members and Veterans.	1 hour	1087096	N/A
<a href="#">Deployment Stressors Unique to Women</a>	This recorded, knowledge-based training will discuss deployment stressors unique to women, to include practical considerations of equipment and self-care; mental health stressors, such as sexual assault/harassment; and relationship/family concerns.	1 hour	1087099	12/4/2023
<a href="#">Women's Mental Health Across the Lifespan</a>	This knowledge-based training will provide an overview of women-specific influences on mental health throughout the lifespan, from in utero influences through adolescence; pregnancy; the postpartum period; the transition to menopause; and aging.	1 hour	1087097	12/4/2023

## COVID-19

COURSE TITLE	DESCRIPTION	CREDIT HOURS	COURSE ID	EXPIRATION DATE
<a href="#">COVID-19: Key Concepts in Geriatric Emergency Care</a>	In this course, a specialist in geriatric emergency medicine will use an interactive, case-based learning approach to illustrate key concepts of geriatric emergency care during COVID-19. This will include the clinical presentation of COVID-	1 hour	1087094	11/10/2023

	19 among older patients; initiating conversations about goals of care; improving communication with patients and families during the COVID-19 pandemic; and strategies to offer safer and more efficient emergency department care with community and nursing home coordination.			
<a href="#">COVID-19: Ethics and Moral Distress</a>	This session will include updates on COVID-19 with a specific purpose of examining some of the ethical and moral distress responses accompanying the pandemic.	1 hour	1087093	11/10/2023
<a href="#">COVID-19 Modeling and Forecasting</a>	This session will explore modeling and forecasting tools and recent updates on knowledge around COVID-19.	1 hour	1087087	11/10/2023
<a href="#">COVID-19 and Delirium: The Hidden Comorbidity</a>	This session will focus on delirium as an atypical but prevalent symptom in older adults with COVID-19. At the conclusion of the session, learners will be able to identify barriers to care posed by COVID-19 and delirium, as well as discuss care strategies to maintain quality of life for older adults with COVID-19 complicated by delirium.	1 hour	1087082	11/10/2023
<a href="#">Acute complications of COVID-19</a>	This session will discuss acute complications of COVID-19 in adults including: central nervous system complications, acute kidney injury, acute liver injury, acute respiratory distress syndrome (ARDS) and hematologic complications.	1 hour	1087088	11/10/2023
<a href="#">Dementia Evaluation During COVID-19 - When Face-to-Face Care is Not Possible</a>	This session is a case-based educational session focusing on performing cognitive evaluation when a Veteran with dementia warning signs is unable to attend clinic face to face safely due to COVID-19.	1 hour	1087089	N/A
<a href="#">Where are we now? Caring for patients with COVID-19 (August 2020)</a>	This session will provide an update on the COVID-19 status and emerging issues. Topics will include relevant known updates on caring for patients with COVID-19 and ongoing challenges.	1 hour	1087091	11/10/2023
<a href="#">Where Are We Now? Caring for Patients Without COVID-19</a>	This session will include updates on COVID-19 with discussion on caring for patients without COVID-19 during the pandemic.	1 hour	1087084	11/10/2023
